'They respect a man's privacy here.'

(Sherlock Holmes: A Game of Shadows)

This statement gives information about your personal data held in the database of SCEEN IT.

REASONS FOR USING DATA

SCEEN IT collects, maintains, uses and discloses information about filming locations by giving users the opportunity to provide, use, adjust and upload this information. Because SCEEN IT wants to know that the information submitted is accurate and truthful (we do not want any unlawful, indecent, hateful, threatening, pornographic, racially or ethnically offensive, excessively violent, or otherwise objectionable info on the site), SCEEN IT asks users to identify themselves by providing correct user information. Therefore, SCEEN IT also asks users to update their contact information if it changes.

SCEEN IT also processes personal data for the marketing purposes, including direct marketing communications.

PERSONAL DATA

SCEEN IT collects and processes personal data (surname, last name, e-mail address, country, city, gender, date of birth) of users who register and fill in these details. SCEEN IT can also be used without an account. In that case a limited number of functionalities is available.

SCEEN IT also monitors preferences so that users can save time when searching the website. SCEEN IT collects data about to understanding which parts of the website, and which products and services, interest the users most.

SHARING PERSONAL DATA

We like you to know that SCEEN IT may use your personal and non-personal information to serve ads, promotions and products. We may work with third-party advertising companies and other business associates to do this. These companies may be located throughout the world.

RETENTION PERIOD

SCEEN IT will hold the personal data as long as the user has an account.

USER RIGHTS

Every registered user of SCEEN IT has the opportunity to adjust his or her personal account data whenever he or she wants it. It is also possible to completely delete the account. Information about filming locations that was uploaded and comments shared will remain in the database and will still be presented on the website to make sure other users can still use valuable information. However, all the personal references will be deleted and replaced by an anonymous 'John Doe'.

Users have the right to file a complaint with the Dutch Data Protection Authority (DPA).

DATA PROTECTION OFFICER
